# About Us

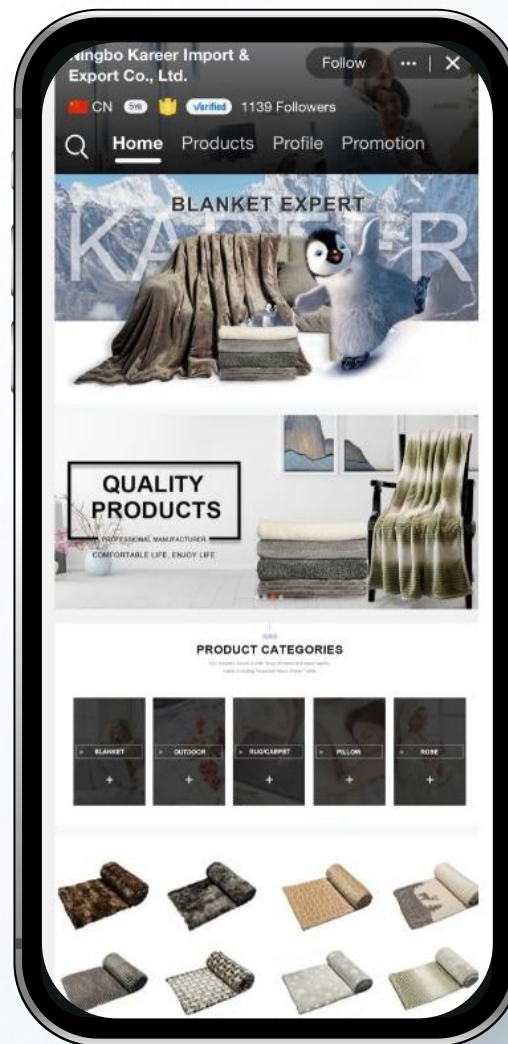

Kareer Textiles  
Established at 2017

The part one

## Industrial and Trading Company

Established and sponsored the Shaoxing Maoniu Textile Co., Ltd. in January 2021, is a professional company integrating product production, sales and service company. The company is located in China Textile City - Keqiao District, Shaoxing. The factory area is 3,500 square meters and has 6 complete textile processing production lines. Accredited by BSCI in 2021. The knitted products have passed the test of third-party qualified institutions, such as AZO, color fastness (grade 4-5), disperse dyes, dimensional stability, flame retardant, etc. All indicators meet the corresponding international and national standards. It is well recognized by domestic and foreign customers.
